Skills for Long Consecutive for Court Interpreters

Sofia Garcia Beyaert, PhD, will be teaching this interpreting techniques class, with witness testimony and similar court requirements in mind. The first part of the workshop will address memory training and message analysis. The second part will focus on note-taking strategies. For all languages.

Ms. Garcia Beyaert has a BA in Translation and Interpreting from Universidad de Granada (Spain) and has developed interpreting training materials for The Community Interpreter (registered brand) training program. She is currently teaching in the Translation and Interpretation Certificate program at Bellevue College.

This Workshop has been APPROVED by the Administrative Office of the Courts for four (4) Continuing Education credits. In the rare event of class cancellation, a full refund will be made.
